PLAINTIFF'S CLAIM

This Justice Court has venue because: ☐ The defendant resides in this precinct. ☒ The debt or cause of action incident that resulted in this claim, occurred in this precinct at the following location. In the city of El Mirage, AZ \$2000.00 is the total amount owed me by defendant because:

Defendant bought up websites in the name of me and my mother to harass us (colinretzlaff.com & deniseholias.com). He said he would give them to me if I helped him get my dad served with a lawsuit. I kept up my end of the agreement, but defendant did not give me the websites as promised. We had a written agreement. Defendant has used these websites to threaten and harass myself and my mother, and he is interfering with my ability to run my own business because I cannot use my website to advertise my products or services on. Defendant is in breach of contract and is interfering with my business.

Defendant VarView and its CEO James McGibney run a revenge porn / blackmail company that posts pictures of little girls on line and then charges them money to remove the photos and derogatory statements about them. I do not want to be associated with this kind of business or person.
